MRMS Supply Lists are evaluated on quality, price, and needs for a 6th-12th grade band student. We believe in students playing on quality, affordable instruments that will allow for musical success, and therefore, enhance your student's enjoyment of Band. This initial investment occurs at only one time in your student's 6th-12th grade career as a band student, i.e. right now! MRMS Supply List recommendations meet the needs of a middle school and high school band student band, which will save families money in the long run.

If you already own an instrument, please check it out with Ms. Glover for approval. If you need assistance acquiring an instrument or have any questions, please contact Ms. Glover. Contact: [claire.glover@asd20.org](mailto:claire.glover@asd20.org)

# Private Lessons

6th Grade is the **best** time to sign up for private lessons! While important skills are learned in band during school, private lessons are the best ways for a student to progress by receiving individual, 1-on-1 instruction from a professional musician. Private lessons are not required, but highly recommended for every student. Below are instructors recommended by MRMS Bands:

# D20 Summer Band

Summer Band is a exciting opportunity for MRMS Band students to get a head start before school! MRMS has close to 100% student attendance at Summer Band! We understand that families are busy during the summer, however we highly encourage every student to attend **at least one session** of Summer Band. Please see the official D20 Summer Band flyer/website for the class schedule and more information.

- June Session (June 10th - June 21st) at Discovery Canyon MS
- July Session (July 15th - July 26th) at Discovery Canyon MS
